

Egan Science Wish List – 2010-2011 School Year

Each science teacher will offer up to 5 points of extra credit for up to any 3 items on this list. Students may also receive extra credit for helping to organize these materials after school in the science storeroom instead of bringing in donated items. Students are encouraged to bring in more than 3 items.

Latex & nitrile gloves (in all sizes) for frog dissection and Green Team
Hand sanitizer that does NOT contain Triclosan
Electrical Tape – we need lots for building pinhole cameras
Blue Painter's tape
Waterproof clay
Cheesecloth
Butane lighters with the long tube at the end
Batteries, all voltages but 9V
Food color - sets of red, blue, green, yellow in small dropper squeeze bottles
Refillable alcohol burners
Hotplates with adjustable heat dial
